Service Hour Log Sheet

Month/Year:_____

All Courts must complete the Circle of Love forms in the areas that they participate. Completion of the forms helps us with keeping our 501 (C) 3 status as a non-profit organization. It also allows us to see what wonderful activities you are participating in and the work you do for the good of mankind.

It is wonderful to see our courts have fun with their “hard at work” activities and the fellowship that you have with one another. We are truly showing that “Unity and Charity” spirit with our communities and within our courts.

. Reporting to the State Court is once a year (March 2015).
Please kindly report your service hours on a monthly basis so we can keep a running tally.
Forms to be submitted to Regent Teresa De Los Santos
