CAPITAL CAMPAIGN UPDATE

We sincerely thank everyone who has given so generously to our Parish Capital Campaign.

With your generosity our parish has completed Phase I (new Rectory) and Phase II (Hall renovation) without securing a loan.

Phase III (Parish Office Renovation) is the next capital project that will be funded by the Capital Campaign Funds however, the we still need additional pledges of **\$100,674.38** in order to reach our Capital Campaign Goal of **\$350,000.00** so we can move forward with Phase III.

The current committed pledges yet to be paid equal to **\$7,528.09** so the additional pledges will provide the funds required to complete Phase III.

There are several ways to participate!

- ♦ **A Pledged Donation to be paid monthly, quarterly or at one time.**
 - ♦ **If you have completed your pledge commitment please consider a new Pledge or increasing your Pledge amount if your pledge is yet to complete.**
- ♦ **Purchase a "Tree of Life" Leaf or Stone or Dove** (detail on the back of page).
- ♦ **Purchase a beautiful Memorial Wall Plaque in memory of a loved one** (detail on the back of page).
